

Also referred to as a branded kiosk, our **Smart Shade Mini Branded Gazebo** is the perfect choice for portable sales stations such as HIV testing stations, airtime sales counters, photo booths as well as street vendors or large outdoor campaigns where space and budget is limited. The anodized aluminium frame has an excellent strength vs weight ratio, is rust proof, and sets up in seconds. Standard accessories include rubber mallet, guy ropes, ground pegs and branded Smart Shade nylon carry bag. Optional branded side and back walls are also available, single or double sided, full or half height. All our branded rooftops and walls include full colour, full coverage graphics using only the best quality imported coated gazebo canvas which is 100% waterproof and noticeably thicker when compared to other manufacturers. Smart Shade not only guarantees its products, but stocks spares and services its entire product range, providing unrivalled value in the long run.
