

Get your message across to the masses with this super affordable mini counter display. Graphics are easily interchangeable and can be changed on location. Our X Banner Mini comes packaged in a handy carry pouch, simply fold the legs open, attach the print and place on any counter top. The X Banner Mini is constructed from lightweight yet durable plastic components, is supplied with a full colour non curl pvc print, and handy nylon carry pouch. Our Mini Branded X Banner is the perfect choice for national branding roll outs where budget and space is limited.
