

Our flagship gazebo is our **Smart Shade Heavy Duty Deluxe Gazebo**. We have proven over and over again that this Gazebo is far superior to any other Gazebos available in South Africa. Although the frames are heavier than most, the strength and longevity they offer cannot be matched. With oversized and extra thick support trusses, no storm is too strong for this super-frame. Standard accessories include deluxe branded Smart Shade guy ropes, ground pegs, rubber mallet, and deluxe branded Smart Shade wheelie carry bag. Optional branded side and back walls are also available, single or double sided, full or half height. All our branded rooftops and walls include full colour, full coverage graphics using only the best quality imported coated gazebo canvas which is 100% waterproof and noticeably thicker when compared to other manufacturers. Gazebo World not only guarantees its products, but stocks spares and services its entire product range, providing unrivalled value in the long run.
